2016/3303/P	Genevieve Lipietz	38 Sarre Road	05/07/2016 11:35:17	SUPPRT	As a resident on the other side of Sarre Road nearly opposite this address I think this proposal is good for the neighbourhood. Many of the houses on that side of the street are of similar shape and have game ends at this level. I think it is good for the strong sense of community which exists in the street to encourage expanding families to stay rather than having to move to find suitable accommodation. Such improvement enhance the neighbourhood. “
