Dear Sirs:

I am the owner of the above property.

You granted me planning permission in 1998 to convert and render habitable the loft space over the property, including the installation of a dormer window. You renewed the permission in 2003, 2007, 2010 and most recently in 2013 (reference 2013/5287/P).

I have not yet carried out the development and I wish to apply for a further renewal.

I attach:

- Application for planning permission.
  - Site location plans.
  - Scaled drawings & plans.
  - Design & access statement (including heritage statement).
  - CIL questionnaire.
- 

Please do not hesitate to contact me (preferably using the e-mail address shown at the head of this letter) if you have any questions.
