Afternoon Claire,

We can confirm the we intend to maintain our current appointment. We will carry out site visits appropriate to the stage of construction, to monitor that the critical elements of the permanent structure are being executed generally in accordance with the contract documents and good engineering practice. Normally about every 2 weeks during the structural work. We will review and comment on the temporary works design prepared by the contractors temporary works engineer.

The qualified chartered engineers with memberships of the appropriate professional body who will be undertaking the site visits are;

David Derby, IStructE Membership - 010244965  
Jack van Zwieten, IStructE Membership - 028367719

Kind regards

Philippa Goslin  
Structural Engineer
