Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:
24 Elsworthy Road
London
NW3 3DL

Proposal:
Amalgamation of 2 residential units into a single family dwellinghouse.
Drawing Nos: 09/709/Loc01; 24_ER_101; 24_ER_1; 24_ER_2; 24_ER_3.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: 09/709/Loc01; 24_ER_101; 24_ER_1; 24_ER_2;

24_ER_3.

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

1 Reasons for granting permission.

Policies DP2 and CS6 of the LDF seek to protect existing housing by resisting development that would involve the net loss of two or more homes. As the proposal would only involve the loss of one residential unit it is considered to comply with these policies.

The proposed dwelling would provide a good standard of residential accommodation in terms of layout, room sizes, sunlight, daylight, ventilation and outlook. The proposal is consistent with Policy CS6 and the Residential Development Standards contained in DCLG's Technical housing standards - nationally described space standards.

The site has a Public Transport Accessibility Level (PTAL) of 1b. Policy DP18 expects development to be car free in the Central London Area, Town Centres and other areas within Controlled Parking Zones that area easily accessible by public transport (PTAL of 4 or above). However, given the sites low PTAL score and that the number of units will be reduced from two to one it not considered necessary for this development to be car-free.

No objections have been received prior to making this decision. The sites planning history and relevant appeal decisions were taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies CS1, CS5 and CS6 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP2, DP5, DP6, DP18, DP19 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with the London Plan 2016; and the National Planning Policy Framework.

3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays.
