Application No 2016/3128/L

Thank you for your letter of 17 June 2016 notifying Historic England of the application for listed building consent relating to the above site, made by your authority. Historic England was pleased to be consulted on these proposals at pre application stage. We certainly welcome the proposed restoration and reuse of the columns for lighting purposes and the associated landscaping works to Tottenham Court Road and recognise that these are clear heritage benefits.

Recommendation

This application should be determined in accordance with national and local policy guidance, and on the basis of your specialist conservation advice.

If you would like further advice on this application, please contact us to explain your request. Please re-consult us if there are material changes to the proposals. If, in due course, your Authority is minded to grant consent, please forward this letter to the National Planning Casework Unit.

Yours sincerely
