Planning Application Number: 2010/2845/P

I support the application (please state reasons below) ☒

I object to the application (please state reasons below) ☒

I have no comments on the application ☐

The application, and plan dated February 2010, is specifically and finely detailed for an entity comprising the present 21 Caravans, 2 public facilities and 7 private facilities.

- If in the event of the latter, and avoidable, situation occurring the resultant substantial daily congestion and disruption would be wholly out of place and unacceptable, and in my view would lead to a marked deterioration in the Vale of Health and its enviroment.
