With ref. to Planning Appⁿ 2010/2845/P
Fairground Site, Vale of Heath, London NW3 1AU

Dear Sir,

I am writing to object to the above planning application.
The site is a fairground, and has not been in continuous
use as a Caravan site for ten years.

There have been fairs and fairground rides, and
a food stall on this site within the last ten years,
particularly at the time of the other larger fairs on the
Heath (Easter & August Bank Holiday) and also on
Summer Sundays throughout the years we have lived
here (since March 1984).

The Abbott family are long-term residents,
but the other Caravan owners come and go, I
assume on short-term rental agreements.

The other point to make is that this site
is designated as Metropolitan Open Land, and
cannot be used for building.

To re-designate the site as a

Caravan site would open the possibility of
further development, to the detriment
of the health, and the Value of health.

Yours faithfully,
