re. planning App 2010/2845/P
Fairground Site

Dear Mr. Thuan,

I would like to add myself and my family to the objectors of above proposal.

The implications of said planning application are numerous and I am sure you are well aware of them, and all to the detriment of the lives of all the residents in the Vale.

I therefore strongly object to
such application and wish that it
should completely reject.

Yours faithfully
