Dear Sir/ Madam,

Application Number: 2016/3474/P  
180 Kentish Town Road London NW5 2AE

Proposal: Details of the windows on the south and west elevation required by condition 3 of planning permission 2006/3605/P dated 18/10/2006 Construction of a three-storey side/rear extension and a mansard-style extension to the roof, and alterations to the elevations to convert 2 x existing residential flats ancillary to public house to self-contained flats and create 5 x additional self-contained flats

I wish to object to the recent retrospective planning applications, the most recent dated Tuesday 5th July on the grounds that the original application misinformed planners

and the wider community about the height, size and scope of this building project.

It is a regrettable but a well established planning tactic to use retrospective planning to circumvent restrictions which would otherwise have prevented such a scheme from being given permission in the first instance. I trust the Planning department will investigate and act to halt any material increase to the original application.

Regards,

Valerian Freyberg
