| 2016/1249/P | Lee Barclay John hitch | 14 Leverton street London Nw52pj | 14/04/2016 13:04:24 | COMMNT | A. Does the proposed additional height and depth of the rear extension beyond the existing, meet current planning law for these listed houses? B. The dimensions of the additional party/garden wall between no12 and 14 are not shown on the plans. What are they? Naturally, we would appreciate that they are as minimal as possible (light loss). |
