Your comments on the planning application

I have just studied the revised application from Tortilla and wish to object to the inclusion of sliding windows to the front of the restaurant.

The rear windows of the flats at Nos 4 and 5 Bernard St look down onto The Friend At Hand pub, which generates a lot of noise and cooking smells. There is also a vent from the tube station which is very noisy and smelly. The only acceptable way to get fresh air into our flats is to open the front windows. The noise from the proposed terrace will be bad enough (which we have already commented on). Sliding windows will significantly exacerbate the problem by

allowing further noise pollution from inside the restaurant.
This is unacceptable.
Previous comments and objections referred to the need to ensure adequate ventilation of cooking smells from the new restaurant. I have seen nothing in the revised proposal to cover this issue, so this remains an open objection.
