The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 Detailed drawings, or samples of materials as appropriate, in respect of the following, shall be submitted to and approved in writing by the local planning authority before the relevant part of the work is begun:

a) Details including sections at 1:10 of all windows (including jambs, head and cill), ventilation grills, external doors and gates;

b) Manufacturer's specification details of all facing materials (to be submitted to the Local Planning Authority) and samples of those materials (to be provided on site);

c) Details including elevations, sections and a roof plan at a scale of 1:50 of the security hut in the forecourt.

The relevant part of the works shall be carried out in accordance with the details thus approved and all approved samples shall be retained on site during the course of the works.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 No lights, meter boxes, flues, vents or pipes, and no telecommunications equipment, alarm boxes, television aerials or satellite dishes shall be fixed or installed on the external face of the buildings, without the prior approval in writing of the local planning authority.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 4 The development hereby permitted shall be carried out in accordance with the following approved plans: 882\_07\_050 P1; 882\_07\_010 P2; 882\_07\_002 P1;

882\_07\_200 P1; 882\_07\_201 P1; 882\_07\_100 P4; 882\_07\_101 P3; 882\_07\_102 P4; 882\_07\_210 P2; 882\_07\_211 P2; 882\_07\_230 P3; 882\_07\_231 P3; 882\_07\_232 P4; 882\_07\_233 P4; 882\_07\_234 P2; 882\_07\_235 P1; 882\_07\_310 P2; 882\_07\_311 P2

Documents: Design and Access Statement; Planning Statement; Transport Statement; Transport Statement Addendum; Travel Plan September 2014; Construction Traffic Management Plan; Transport Technical Note Rev A; Transport Technical Note Rev B; Transport Letter 19.11.14; Arboricultural Report; BREEAM Pre-Assessment; Energy Statement; Energy and Sustainability Statement Rev B; Heritage Appraisal; Statement of Community Involvement; Acoustic Report; Sunlight, Daylight and Overshadowing Report; Letter re Alternative Sites; Note to Planners July 2014; Basement Impact Assessment; Basement Impact Assessment Addendum Report October 2014; Basement Impact Assessment Addendum Report P2; BIA Sequence P4.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 5 No development shall take place until full details of hard and soft landscaping and means of enclosure of all un-built, open areas have been submitted to and approved by the local planning authority in writing. Such details shall include details of any proposed earthworks including grading, mounding and other changes in ground levels. The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Reason: To ensure that the development achieves a high quality of landscaping which contributes to the visual amenity and character of the area in accordance with the requirements of policy CS14 and CS15 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 6 Prior to the commencement of any works on site, details demonstrating how trees to be retained shall be protected during construction work shall be submitted to and approved by the Council in writing. Such details shall follow guidelines and standards set out in BS5837:2012 "Trees in Relation to Construction". All trees on the site, or parts of trees growing from adjoining sites, unless shown on the permitted drawings as being removed, shall be retained and protected from damage in accordance with the approved protection details.

Reason: To ensure that the development will not have an adverse effect on existing trees and in order to maintain the character and amenity of the area in accordance with the requirements of policy CS15 of the London Borough of Camden Local Development Framework Core Strategy.

- 7 Details of the design of the basement and building foundations and the layout, with dimensions and levels, of service trenches and other excavations on site in so far as these items may affect trees on or adjoining the site, in accordance with the details set out in the Arboricultural Report by Crown Consultants (25.11.13), shall

be submitted to and approved in writing by the local planning authority before any works on site are commenced. The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Reason: To ensure that the development will not have an adverse effect on existing trees and in order to maintain the character and amenities of the area in accordance with the requirements of policy CS15 of the London Borough of Camden Local Development Framework Core Strategy.

- 8 Before the use commences sound insulation shall be provided for the building in accordance with a scheme to be first approved by the local planning authority in writing. The use shall thereafter not be carried out other than in accordance with the approved scheme.

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies CS5 of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 of the London Borough of Camden Local Development Framework Development Policies.

- 9 No music shall be played on the premises in such a way as to be audible within any adjoining premises or on the adjoining highway.

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policy CS5 and of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 of the London Borough of Camden Local Development Framework Development Policies.

- 10 Prior to use of the development, details shall be submitted to and approved in writing by the Council, of the external noise level emitted from plant equipment and mitigation measures as appropriate. The measures shall ensure that the external noise level emitted from plant equipment will be lower than the lowest existing background noise level by at least 5dBA, by 10dBA where the source is tonal, as assessed according to BS4142:1997 at the nearest and/or most affected noise sensitive premises, with all machinery operating together at maximum capacity. A post installation noise assessment shall be carried out where required to confirm compliance with the noise criteria and additional steps to mitigate noise shall be taken, as necessary. Approved details shall be implemented prior to occupation of the development and thereafter be permanently retained.

Reason: To safeguard the amenities of the adjacent premises and the area generally in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policies DP26 and DP28 of the London Borough of Camden Local Development Framework Development Policies.

- 11 Before the development commences, details of the location, design and method of waste storage and removal including recycled materials, shall be submitted to and approved by the local planning authority in writing. The facility as approved shall be

provided prior to the first occupation of any of the new units and permanently retained thereafter.

Reason: To ensure that sufficient provision for the storage and collection of waste has been made in accordance with the requirements of policy CS18 of the London Borough of Camden Local Development Framework Core Strategy and policies DP26 and DP28 of the London Borough of Camden Local Development Framework Development Policies.

- 12 Before the development commences, details of secure and covered cycle storage area for 30 cycles shall be submitted to and approved by the local planning authority. The approved facility shall thereafter be provided in its entirety prior to the first occupation of the development, and permanently retained thereafter.

Reason: To ensure the development provides adequate cycle parking facilities in accordance with the requirements of policy CS11 of the London Borough of Camden Local Development Framework Core Strategy and policy DP17 of the London Borough of Camden Local Development Framework Development Policies.

- 13 The ancillary residential units hereby approved shall be designed and constructed in accordance with Building Regulations Part M 4 (2).

Reason: To ensure that the internal layout of the building provides flexibility for the accessibility of future occupiers and their changing needs over time, in accordance with the requirements of policy CS6 of the London Borough of Camden Local Development Framework Core Strategy and policy DP6 of the London Borough of Camden Local Development Framework Development Policies.

- 14 Prior to commencement of development details of a sustainable urban drainage system shall be submitted to and approved in writing by the local planning authority. Such system shall be based on demonstrating 50% attenuation of all runoff. The system shall be implemented as part of the development and thereafter retained and maintained.

Reason: To reduce the rate of surface water run-off from the buildings and limit the impact on the storm-water drainage system in accordance with policies CS13 and CS16 of the London Borough of Camden Local Development Framework Core Strategy and policies DP22, DP23 and DP32 of the London Borough of Camden Local Development Framework Development Policies.

- 15 Notwithstanding the provisions of the Use Class Order (1995) (as amended), the development shall be used as a synagogue only (Use Class D1).

Reason: In order to control the use on site to accord with policy CS10 of the London Borough of Camden Local Development Framework Core Strategy and policy DP15 of the London Borough of Camden Local Development Framework Development Policies.

- 16 The glazed screen of the external amenity area at third floor level shall be obscure glazed to a height of 1.8m, details of which shall have been submitted to and approved in writing by the local planning authority, prior to commencement of use of the roof terrace and shall be permanently retained.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 of the London Borough of Camden Local Development Framework Development Policies.

- 17 Before the development commences, details of 1 Electric Vehicle Charging Point shall be submitted to and approved by the local planning authority. The approved EVCP shall thereafter be provided in its entirety prior to the first occupation of the development, and permanently retained thereafter.

Reason: To ensure the development includes sustainable parking measures in accordance with the requirements of policy CS11 of the London Borough of Camden Local Development Framework Core Strategy and policy DP19 of the London Borough of Camden Local Development Framework Development Policies.

- 18 All hard and soft landscape works shall be carried out in accordance with the approved details and to a reasonable standard in accordance with the relevant recommendations of appropriate British Standards or other recognised Codes of Good Practice. The works shall be carried out prior to the occupation of any part of the development or in accordance with the timetable agreed with the Local Planning Authority. Any trees or plants that, within a period of five years after planting, are removed, die or become, in the opinion of the Local Planning Authority, seriously damaged or defective, shall be replaced as soon as is reasonably practicable with others of species, size and number as originally approved, unless the Local Planning Authority gives its written consent to any variation.

Reason: To ensure that the development achieves a high quality of landscaping which contributes to the visual amenity and character of the area in accordance with the requirements of policy CS14 and CS15 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 19 An appropriate automatic noise control device shall be used for any amplified sound. The device shall be set so that the volume of any amplified sound emanating from the premises is inaudible at the façade of any noise sensitive premises and shall be maintained at a level as agreed in writing by the Local Planning Authority.

Reason: In order to protect amenity of the adjacent properties and the area generally in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policies

DP26 and DP28 of the London Borough of Camden Local Development Framework Development Policies.

- 20 Automatic time clocks shall be fitted to the equipment/machinery hereby approved, prior to commencement of the use of the units, to ensure that the plant/equipment does not operate after the time to be agreed within the Events Management Plan. The timer equipment shall thereafter be permanently retained and maintained and retained in accordance with the manufacturer's recommendations.

Reason: To safeguard the amenities of the adjacent premises and the area generally in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policies DP26 and DP28 of the London Borough of Camden Local Development Framework Development Policies.

- 21 The demolition hereby permitted shall not be undertaken before a contract for the carrying out of the works of redevelopment of the site has been made and full planning permission has been granted for the redevelopment for which the contract provides.

Reason: To protect the visual amenity of the area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 22 Prior to the commencement of development, trial pits shall be dug to determine the extent of the roots of T1(False acacia) and T4 (Tree of Heaven) within the proposed basement area, to give a clearer indication of the Root Protection Area.

Reason: To ensure that the development will not have an adverse effect on existing trees and in order to maintain the character and amenities of the area in accordance with the requirements of policy CS15 of the London Borough of Camden Local Development Framework Core Strategy.

- 23 Prior to the commencement of development a detailed specification of all pruning to be carried out at the time of the scaffold installation shall be submitted to and approved in writing by the local planning authority. All approved works shall be carried out by trained arborists in accordance with the approved details.

Reason: To ensure that the development will not have an adverse effect on existing trees and in order to maintain the character and amenities of the area in accordance with the requirements of policy CS15 of the London Borough of Camden Local Development Framework Core Strategy.

- 24 Prior to the commencement of development, details of all underground services/ utilities, their impact on the trees to be retained on site and any required mitigation measures shall be submitted to and approved in writing by the local planning authority.

Reason: To ensure that the development will not have an adverse effect on

existing trees and in order to maintain the character and amenities of the area in accordance with the requirements of policy CS15 of the London Borough of Camden Local Development Framework Core Strategy.

- 25 Prior to the commencement of development, a detailed Arboricultural Method Statement to include an auditable system of on-site monitoring of trees on and adjacent to the site, shall be submitted to and approved in writing by the local planning authority.

Reason: To ensure that the development will not have an adverse effect on existing trees and in order to maintain the character and amenities of the area in accordance with the requirements of policy CS15 of the London Borough of Camden Local Development Framework Core Strategy.

Informative(s):
