Proposal	Erection of a glazed roof over the existing swimming pool, installation of plant equipment, and the construction of a glazed roof over the entrance courtyard'
Objection	Yes
Observations	ADVICE from Primrose Hill Conservation Area Advisory Committee 12A Manley Street, London NW1 8LT 6 July 2016 Fitzroy Yard NW1 8TP 2016/2812/P We object strongly to the location of the proposed plant at roof level very close to neighbours in Manley Street where the back yards are particularly vulnerable throughÂ resonant echoes, reinforcing noise pollution. It must be possible to find a better location in the centre of the Fitzroy Yard site which would have less impact on any of the neighbours whose dwellings surround this site and whose habitable rooms are vulnerable to significant harm and loss of amenity.
