Key to the table

Council Tax band - this determines how much Council Tax you pay.

Council Tax band

For Council Tax purposes, all properties have a Council Tax band (A-H in England, A-I in Wales). The band is based on the property's value on 1 April 1991 (for England) or 1 April 2003 (for Wales).

Improvement indicator - this shows that improvements have been made to the property that might result in the Council Tax band changing if a "relevant transaction" takes place, for example, if the property is sold.

Mixed use property - a property can have a domestic or mixed use - "yes" identifies a mixed use property.

Court code - a court code shows the Council Tax band has been reviewed by a Valuation Tribunal or the High Court.

Court code

A property will have a court code if the Council Tax band has been changed (determination) or confirmed (confirmation) by a Valuation Tribunal or High Court. The codes are:

V - Valuation Tribunal determination

C - Valuation Tribunal confirmation

D - High Court determination

H - High Court confirmation

R - Valuation Tribunal re-determination following High Court referral

E - High Court consent order
