Description:

#### 5. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

☒ Yes ☐ No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title:	<input type="text" value="Mr"/>	First name:	<input type="text" value="Shane"/>	Surname:	<input type="text" value="O Donnell"/>
--------	---------------------------------	-------------	------------------------------------	----------	--

Reference:	<input type="text" value="2016/2070/PRE"/>
------------	--

Date (DD/MM/YYYY):	<input type="text" value="07/06/2016"/>	(Must be pre-application submission)
--------------------	---	--------------------------------------

Details of the pre-application advice received:

Option 1 -Conversion of existing retail use to short term accommodation.

Development Policy DP2 states that:

“Proposals for new short-term and temporary accommodation will be considered taking into account policies that seek to protect existing uses. Where a proposal involves accommodation for short-term visitors to Camden, the Council will take account policy DP14 relating to tourism development and visitor accommodation”.

Development Policy DP14 states that:

“All tourism development and visitor accommodation must:

d) be easily reached by public transport;

e) Provide any necessary off-highway pickup and set down points for taxis and coaches;

f) not harm the balance and mix of uses in the area, local character, residential amenity, services for the local community, the environment or transport systems”

The proposed short term accommodation for 90 days or less would be easily reached by public transport. Given the size of the unit it is unlikely that a high demand of taxis and coaches will be created. It would need to be demonstrated that the proposed short term accommodation use would not be out of character with the mix of uses in the area having an adverse effect on surrounding uses in the area.

#### 6. Pedestrian and Vehicle Access, Roads and Rights of Way
