Hi Kate

Thanks for the opportunity to respond.

It is a commitment of Camden to retain affordable workshop space in Hatton Garden and Minerva House is a typical example of how the trade is being forced out. I strongly object to any new planning unless section 106 space is provided. I know we can't replace all of the workshops which are being lost in Minerva House but if there is a way of enforcing some workshop retention, it should be done.

Warm regards

[REDACTED]

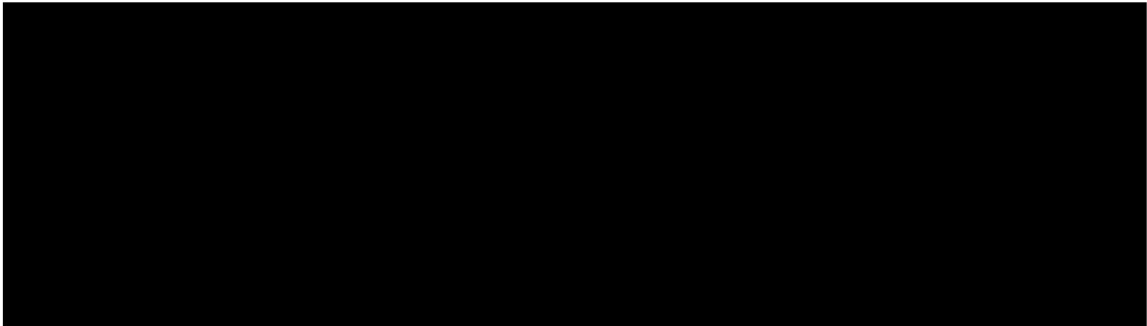

Gary Williams
