FAO Amy Grace Douglas

I attach a letter of objection to this application together with photographs from my property which highlight some of the privacy and design issues referred to in the letter. Jpeg 23 illustrates how much higher the terrace is than the surrounding gardens. Jpeg 56 illustrates how overlooked 20 and 22 Wedderburn Road are by this new terrace and how out of keeping it is with the surroundings. Jpeg57 illustrates how the terrace looks down on the first floor of 20 Wedderburn Road which is where the photograph is taken from and indeed is almost level with the second floor.

I would be grateful if you could keep me informed of progress in this matter.

Yours sincerely

Ivor Dunbar
20 Wedderburn Road
NW3 5QG
