Your comments on the planning application: Camden has given planning permission for an Eruv between Swiss Cottage and Brondesbury Park, The Billy Fury Way is the only direct access without steps for wheel chair, mobility scooter or pushchair users. So this side access should remain. Ambulatory steps are not suitable for wheelchair users, The Finchley Road facing should be red brick to fit with the immediate building and not stand out as a landmark. There should be Section 106/CIL funding for the Billy Fury Way and upgrade of the Overground Station.
