Address line 1: Flat B2 Little Russell Street Address line 2: LONDON Address line 3:

Postcode: WC1A 2HR

E-mail: [REDACTED]

Confirm e-mail: [REDACTED]

Contact number: [REDACTED]

Your comments on the planning application: changing the use of the property from office to residential will bring more people and that brings more car owners and we already have a shortage of resident parking bays so no one will be able to get on their bay and more cars brings more pollution to the area and a even worse air quality than we already have we do not need anymore private residential flats because you can not have a car free scheme unlike if it was social housing.

i strongly object
