DECLARATION

"A desktop review of the existing structure/s has been undertaken by Waldon Telecom. The proposed total equipment load on the existing structure/s is equal to - or less than - the maximum designated load case. There is no evidence of serious corrosion or fatigue on the structure that could be determined from a ground level visual inspection at the time of the survey however Waldon Telecom are not responsible for any substandard or incorrectly torqued fittings/fixtures/corrosion that could not be reasonably viewed and documented at the time of the survey."
