Dear Sir/Madam,

*Ref: 2016/3025/P, 49 Hartland Road, mansard roof extension*

I am the resident of 51 Hartland Rd, which next neighbour of above property. I have been living on this street long time and I believe above (second amended application, which you cannot see the roof extension from opposite sidewalk) does not harm to the character and appearance of the neighbouring area.

Most of the neighbours need extra space (room) for their growing and extending family. That's the reason I am in support of the above application.

Regards,
