#### Informative(s):

- 1 Reasons for granting permission.

The proposal for French double doors replacing an existing single door to the rear is a minor alteration in keeping with the appearance of the host building and is considered acceptable in terms of design and material. Therefore, the proposal would preserve and enhance the character and appearance of the existing building and the West End Green Conservation Area.

The proposal will not cause any loss of amenity to adjoining residential occupiers as there would be no increased overlooking.

One comment was received prior to making this decision. The site's planning history was taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Policies and policy 2 and 3 of Fortune Green and West Hampstead Neighbourhood Plan. The proposed development also accords with The London Plan March 2016 consolidated and the National Planning Policy Framework.
