2016/2597/P	Ameenesh Shah	13 Lymington Road Flat 3 NW6 1HX	26/07/2016 11:22:40	COMMNT	<p>The proposed extension height will be approximately 60cm higher than the current existing boundary causing overshadowing at number 13 Lymington Road.</p> <p>The extension is effectively a large box like structure being tacked on to the back of the building. Given the fact that the roof of the extension is expected to have a 'living roof', it requires maintenance to an area which is not easily accessible (ie. requires ladders or scaffolding). Without constant maintenance the roof will become a large eyesore for all surrounding flats that are at a higher level, with a view of the extension from above.</p>
