Hi Rob,

I can confirm I am only seeking a noise report. I don't think an air quality report is necessary at this site.

Kind regards,

Many thanks Zenab

Just one quick query - I think your colleagues comment is left in on the noise section, where there is a question mark over air quality. Please could you just clarify whether we would need to assess both, or just the noise?

Thanks

Rob,

My apologies again for the delay in getting the feedback across to you, it has been a busy two weeks, please find attached the pre-application advice. If you have any queries for me in the meantime, do get in touch.

Kind regards,
