2016/3596/P	Annabel Cormack	68 Dartmouth Park Road	28/07/2016 15:44:41	COMMNT	<p>The rear extension with basement below looks sensible, and not intrusive.</p> <p>The replacement outbuilding however takes up too much garden. A house of that size should have green space in proportion, and any further loss is not recommended. There are plenty of rooms in the house.</p> <p>There would be no room outdoors for for cycles, or a garden shed.</p>
