Hi John

Thanks for meeting this morning. Below is the link to the colour chart the colour we have selected is WH046 light grey

http://www.marmorit.co.uk/downloads/colour_cards/Knauf-Color-Concept-Card.pdf

Please do let me know if you need any further information or have any queries

Is it possible that we may get a decision sooner than the determination date of the 1/6/16?

Thanks

Felix

Hi Felix,

Of course, it may well be useful. How is your availability for next week? Aside from Tuesday morning or Friday my diary is so far fairly free so if you would like to propose a time I will double check and get back to you.

Kind regards,

John Diver

Hi John,

If we can arrange a site meeting that would be good just to run through the application.

Thanks

Felix

Dear Felix,

Thank you for your fast response.

Your application has now been registered, please see attached letter for further information. I will be the case officer for this application. I will arrange to visit the site as soon as possible (I assume that access will not need to be arranged based on the site?). Obviously if you would prefer to arrange to meet onsite I would be happy to arrange this.

In the meantime, if you have any questions please do not hesitate to be in touch.

Kind regards,

John Diver

Dear John Diver,

Rref 2016/1363/INVALID

Please see attached revised drawings.

As requested we have included a scale bar on all existing and proposed drawings.

We have provided a detailed section drawing at 1:20 of the proposed planters and fence. As well as a plan of the front garden planting with annotated planting information. Drawings numbers FDB-25LY-A504 & A505.

We have also added further information to the proposed elevations and design and access statement regarding the proposed render material and colour.

Please let me know if there is any further information required.

Many Thanks

Felix

Dear Mr Padfield,

Please see the attached letter in relation to the above planning application.
I hope that this letter is self-explanatory however if you would like further information or to discuss, please do get in touch.

Kind regards,

John Diver
