2016/3573/P	Uzair Burney	1 Hampstead Hill Gardens	30/07/2016 21:01:15	OBJ	<p>I object to the proposal as it will as it will restrict the natural light coming into my flat. It will also very intrusive and invade our privacy. The proposal will make our outdoor area feel very cramped and claustrophobic.</p> <p>Based on this, we also believe this will have a negative impact on the value our property.</p>
