Dear Mr Marfleet,

Many thanks for your email. We did discuss the application at our last CAAC meeting, but decided not to comment as we feel that as long as the proposed application adheres to the following items, we would not have any objections to it:

- maintain appearance from the street (any new additions to conform to style and quality)
- detailing and materials to be of a high quality
- no structural alterations (i.e. removal of chimneys, addition of basements etc)

However, if you had any concerns regarding the application I would be very happy to discuss these with you.

Best regards,  
Antje Saunders

Dear Mr Saunders,

The documents related to the application are available to view on the councils website.

Have you discussed the proposal and if so do you wish to make any comments or objections?

Dear Mr Marfleet,

Many thanks for getting in touch regarding the above application.

Camden Broadway CAAC would very much like to discuss the application at our next meeting on 1st July, however I was unable to find any documents describing the works on the website, neither through the planning portal; nor through the link & pin in the consultation letter.

Could you please let me know how I can access the documents?

Many thanks in advance,

Antje Saunders
