2016/2892/P	Paul Filer	28 Meadowbank	01/08/2016 10:51:31	SUPPEMAIL	<p>I am strongly in favour of the proposed Eruv. This is something that will add a great deal to the lives of many people. The visual impact has proved to be minimal in other places where there is now an Eruv. I am sure the same will be the case here. There have been no adverse social impacts elsewhere, nor do I believe there would be any here.</p> <p>Examples of the benefits of the Eruv are that both the young and the old will be able to leave their homes on Shabbat in compliance with Shabbat laws;and being able to bring items to the sick in hospital or at home.</p> <p>I believe these are good reasons for approving the planning application</p>
2016/2892/P	Joyce Misrahi	98 Hamilton Terrace	01/08/2016 16:21:06	SUPPRT	<p>I am a local resident of the area and am very much in support of an Eruv. As an active memeber of the community and a mother of 4 sons it would benefit and improve our lives tremendously.</p> <p>I am proud to lievin a country that is supportive and open to the Jewish community.</p> <p>I really hope that you will support the creation of an Eruv. It has no down side just many benefits.</p>
2016/2892/P	mimouni elodie	101 Canfield garden	01/08/2016 15:51:22	SUPPRT	<p>It would be incredibly nice and a joy for us to finally be able to be gathered with our family and friends during festivals.</p> <p>There are already hundreds of eruvs already in place around the world including London. You can hardly notice it too.</p>
2016/2892/P	sandrine djanogly	26 neeld crescent nw43rr london	01/08/2016 14:11:29	COMMNT	<p>The proposal for the eruv is not visually disruptive for the people living there and at the same time allows the member of the Jewish community , especially family with young kids, people in wheelchair and eldest residents to carry, move around with greater ease and socialise on Friday night and Saturday. that is why I support the eruv.</p>
2016/2892/P	Anne Amar	42 belsize park	01/08/2016 14:22:19	INT	<p>I can only strongly support this project which will be life changing for so many people. The first beneficiaries being elderly, young children, babies and disabled people. This project will enable all this people to have a social and community life on Saturdays as well as all the Jewish festivals.</p>
