Your comments on the planning application

We object strongly to this terrible breach of CA acceptable development. The original approved scheme was only approved after reduction by the applicant.

Carlos Martin (officer) wrote "The proposal has been amended to remove the proposed front dormer and bulky terrace access altogether. The front dormer has been replaced by a pair of rooflights which would be conservation type, i.e. flushed with the roof slope, and the rear dormer has been reduced to a reasonable size. "

This application seeks to regularise the very development
that was not considered acceptable in the first place.
