Where trees are protected by a TPO, please number them as shown in the First Schedule to the TPO where this is available. Use the same numbers on your sketch plan (see guidance notes). Please provide the following information below: tree species (and the number used on the sketch plan) and description of works. Where trees are protected by a TPO you must also provide reasons for the work and, where trees are being felled, please give your proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant. E.g. Oak (T3) - fell because of excessive shading and low amenity value. Replant with 1 standard ash in the same place. 1 x Magnolia Works: Prune back to boundary fence. Reasons: Birds are sitting on branches and defecating on seating area on patio.	If vou know whic	h TPO protects	the tree(s) enter it	s title or number b	low						
Please identify the tree(s) and provide a full and clear specification of the works you want to carry out. Continue on a separate sheet if necessary. You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work. Where trees are protected by a TPO, please number them as shown in the First Schedule to the TPO where this is available. Use the same numbers on your sketch plan (see guidance notes).
