Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:
17-29 Hawley Crescent
London
NW1 8TT

Proposal: Replace existing revolving entrance door and swing pedestrian door with 2 x revolving doors and a circle lock door.

Drawing Nos: B5_02_2000 (Proposed condition) and B5_02_2000 (Existing condition).

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as

possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: B5_02_2000 (Proposed condition) and B5_02_2000 (Existing condition).

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission:

The proposed doors would be glazed and similar in appearance to the existing doors and surrounding elevation. The alterations would have a minor impact in design terms and would preserve the character and appearance of the host building and Regent's Park Canal Conservation Area.

The new circle lock door would provide wheel-chair access and is Part-M compliant. This has been confirmed by the Council's Access and Service Development Officer.

Due to the nature and location of the works, they are not considered to cause harm to the amenity of surrounding neighbours in terms of a loss of daylight, privacy or outlook.

No objections have been received prior to making this decision. The planning history of the site has been taken into account when coming to this decision. Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25, DP26 and DP29 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with the London Plan 2016 and the National Planning Policy Framework.

- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays.
