

METERS

PLANNING

All work must be carried out in accordance with the Building Reguand to the satisfaction of the Local Authority.

Any areas indicated on this drawing are for gu responsibility is taken for their accuracy.

Do not scale. All written dimensions must be checked on site before work commences on site or in shop. Figured dimensions take preference over those scaled. Discrepancies, where identified, must be reported to the Architect immediately.

A 2016.07.22 Issued for Planning - 2016.06.30 Issued to client REVISION NOTES
