2016/3014/P	sara fanelli	45 Belsize Avenue first floor London NW3 4BN	07/08/2016 23:29:49	OBJ	<p>Dear Sir,</p> <p>I would like to object to this application for two main reasons.</p> <p>First of all, my flat will no longer have the same amount of view and of light. The pleasant view of the top floors of older houses will be greatly diminished if not eliminated.</p> <p>Our house has already had a lot of light and airiness taken away by out of proportion "sheds" in nearby back-gardens in Ornan Rd.</p> <p>Secondly, that specific row of buildings in Oranan Rd has a very distinctive style which is slowly being turned into a mishmash of different styles with no coherence at all.</p> <p>Thank you,</p> <p>S Fanelli</p>
