Consultations

2015/16

Planned (3)

1 S4: Involve pupils in the travel plan process

Planned date: 20 May 2016

Details

The pupils are encouraged to take part in the Walk To School Week to help reduce road congestion. Rewards are given for effort. This is published in our weekly newsletter. Newsletter is attached, item is on the front page.

1 G6: Include safer and active travel in the school improvement plan

Planned date: 18 June 2016

Details

We are booked in with Urban Cycle Skills to provide children with lessons to help with their competence and road safety skills. This will be taking place on Saturday mornings after half term in the Summer Term 2016. It is hoped that more children will feel confident enough to bike to school.

S6: Consult parents / guardians on travel and transport issues

Planned date: 20 June 2016

Details

Parent Rep Meeting, Upper School. To encourage more involvement from parents regarding ideas & solutions leading on from our research into parent travel issues

Completed (3)

S3: Meetings with Governors, staff, senior management team and school council

Completed date: 08 October 2015

Details

The Headmistress reports to the Principal at regular meetings. As a result a new covered buggy area was constructed so that parents in the Nursery are encouraged to walk to and from school with their young children

S1: Set up a school working group

Completed date: 08 January 2016

Details

A Global Goals Team has been initiated and they are looking at Sustainable Cities and Communities as well as Climate Action

1 S5: In-depth research and consultation

Completed date: 10 February 2016

Details

Consultation with Police and Camden Council regarding traffic and parking issues around both school sites. Initial letter from Police attached.

2014/15

Completed (2)

1 G6: Include safer and active travel in the school improvement plan

Completed date: 08 March 2015

Details

We have recently implemented a new website that offers information on local public transport links plus walking distance from us to local tube / rail stations. the map is also linked to google maps directions where people can plan there journey to us. The more training i receive on web design, the more we can develop this. <http://devonshirehouseschool.co.uk/find-us-2/>

2 S6: Consult parents / guardians on travel and transport issues

Completed date: 18 May 2015

Details

Parents were consulted by completing surveys created by the school working together with the school bus company, to gain better knowledge on how to improve this service.

2013/14

Completed (7)

2 S4: Involve pupils in the travel plan process

Completed date: 01 September 2013

Details

We have incorporated many walking trips in our school calendar, planning events in the local area and when we do need to travel, using the Tube ticketing scheme, only using coaches when unavoidable. See- Easter Bunny Hunt, Freud Museum, Orienteering, Teddy Bears & French Picnics

1 G6: Include safer and active travel in the school improvement plan

Completed date: 01 March 2014

Details

We have introduced the Highway Code into the curriculum for the older children

2 S3: Meetings with Governors, staff, senior management team and school council

Completed date: 01 March 2014

Details

The headmistress reports to the principal at regular meetings. As a result the bicycle storage area was implemented. Other issues agreed are the possibility of asking parents to withdraw pupils if they park dangerously, shaming car registration numbers published in the newsletter and the general promotion of safe drop offs / pick ups. Naming and shaming has now been implemented with Registrations and pictures going on noticeboards and newsletters.

1 S1: Set up a school working group

Completed date: 01 April 2014

Details

We have started a running club for the upper school pupils which is led by the headmistress which takes place every Tuesday and involves teachers & pupils

1 S4: Involve pupils in the travel plan process

Completed date: 01 April 2014

Details

The pupils will take part in the walk to school schemes and cycling days throughout the year (Eco team travel plans page 5)

11 S5: In-depth research and consultation

Completed date: 01 April 2014

Details

All parents are required to provide detailed and valid reasons as to why they require a parking permit. We have studied these responses to gauge the main problems that cause parents to drive to work. Some main issues include; Little/no direct bus routes, particularly primrose hill / belsize park way. Issues with air quality for asthma / allergy sufferers (recent survey seems to back this) and our location on a very steep hill for those with prams / toddlers. Examples & survey attached

1 S4: Involve pupils in the travel plan process

Completed date: 01 June 2014

Details

We have incorporated our travel goals with our fundraising and set up a 'Road to Rwanda' fundraiser which encourages our pupils, parents and staff to walk, run, cycle, swim whatever they can to clock up the miles to help us cover the 6000 mile distance to Rwanda, where we are part of the Rwanda Aid Charity effort. We hope this will have a knock on effect and that families can find way of incorporating these travel methods into everyday life

2012/13

Completed (1)

1 S1: Set up a school working group

Completed date: 01 January 2013

Details

The Eco Club meets every Tuesday and discusses the possibility of different methods of travel. They present to other children in assembly and find ways to incorporate sustainable travel plans into the curriculum. Please see attached club schedule (Transport page 5)

Issues

2015/16

Current (2)

Cycling: Hill top location of school

Date identified: 01 September 2015

Details

Both school sites are located at the top of a hill. The gradient is too steep for most children to bike to school safely.

Category: Cycling

Possible solutions: There is unlikely to be a solution to this problem.

Walking: Hill top location of school

Date identified: 01 September 2015

Details

Both school sites are located at the top of a hill. The gradient is steep and mothers pushing buggies and walking with toddlers do find it tiring so often will resort to driving.
