Subject: Replacement of flat entrance doors - OBJECTION to planning application [REDACTED]
Importance: High

Dear Sir or Madam,

The attached letter and application was sent to my properties on the **Curnock Estate**. As you can see from the letter the whole subject is very vague and does not provide any reasons/justifications or costs for the works.

Based on that I will like to raise my objections to the above application until the relevant information is available to the residents. If the application is approved regardless of the lack of information to the residents then I will consider further formal action.

Yours sincerely,

Dimitris Papageorgiou
