### **Full Planning Permission Granted**

Address:

**Flat 2**  
**260 Finchley Road**  
**London**  
**NW3 7AA**

Proposal:

Replacement of existing window with door to rear elevation, and installation of rear shed.  
Drawing Nos: The site location plan 05-255/SP-01 rev P1; EX-01/ rev PL-01, EX-02/ rev PL-01 , GA-01/ rev PL-06, GA-02/ rev PL-03 , design and access statement April 2016, shed details.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: The site location plan 05-255/SP-01 rev P1; EX-01/ rev PL-01, EX-02/ rev PL-01 , GA-01/ rev PL-06, GA-02/ rev PL-03 , design and access statement April 2016, shed details.

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The replacement windows with timber door and installation of timber shed at ground floor are considered to be acceptable in design and appearance and would not harm the appearance of the host building or streetscene. Given the location of the proposed door, it would be only partially visible from the rear garden area, and the material remains the same. The proposed timber shed dimension would be 1.8m width x 2.0 height.

There would be no impact on the amenity of neighbours in terms of overlooking, loss of light or sense of enclosure.

No objections were received prior to making this decision. The planning history of the site and relevant appeal decisions were taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4 and 7.6 of the London Plan 2016 and paragraphs 14, 17, and 56-66 of the National Planning Policy Framework.

You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays.
