Dear Sir/Madam,

Re: 13-15 Canfield Place, London NW6 3BT
2015/ 4095/ P

Please find enclosed proposal for the position of the wall mounted adjustable bicycle stands x 3 as requested. I also highlighted in red the bathroom/shower facilities already in existence and the cabinet for the storage of cycle clothes.

I trust this will be approved by you.

Please let me know so I could start attaching / fixing the bicycle racks.
