2016/4020/P	Ken	106b College Place Camden Town London NW10DJ	14/08/2016 21:35:39	SUPPEMPE R	I am completing this on behalf of my neighbour who came to me to discuss the planning application. They have asked me to enter their comments online as they do not have access to the internet. His comments are as follows: I am happy for the proposed work to go ahead that a loft conversion is done. I have no problem with this proposal..... I would like it to be able to go ahead. They are good neighbours.
