Your comments on the planning application

I oppose the addition of one more flat. The off-street parking in the area is already too crowded. There are more cars using off-street parking in the week than there are spaces. I also want to see implemented, the residents of Bransdale Close, using their parking space surrounding their property; and not use the off-street parking in the area. There are residents living there, who have several cars and use the street as a long - term car park, where cars sit for months, not in daily use.
