

Dear Joyce,

Following our conversation this afternoon, you need no further interaction with The Council in order to proceed with the removal of the tree. Formal confirmation of this will follow although you do not need to wait for it.

Planning Technician: Please log in my name as: 1x birch, DD – Fell, front garden. 78 Parkhill Road London NW3 2YT.

Please contact me if I can be of further assistance.

Kind regards

Nick Bell  
Tree and Landscape Officer

Telephone: 020 7974 5939

Dear Mr Oxford and Mr Bell

I am contacting you both as one of you might be away. I am sending photographs of the silver birch tree at the front of the house and on the boundary of the front garden and pavement outside the house. Gareth Wellburn the tree surgeon I have spoken to is away until the beginning of September but after describing the condition of the tree he suggested I get in touch with you - he referred to a 5 day dd notice (I think that's what he said) I am obviously concerned about the condition of the tree and safety given its closeness to the pavement.

I look forward to hearing from you and hope you will come and inspect the tree as we are in a Conservation Area and if you think it should be removed, discuss a replacement.

Yours sincerely,  
Joyce Jeal  
Garden and ground floor maisonette  

PS There are mushrooms growing out of the trunk too. I shall send another photo.
