2016/4001/P	Kelly Hammond	15a Oapringe Road London NW5 2JD	15/08/2016 23:29:14	INT	<p>We would like to know if the party wall in the garden will be replaced in the building of the extension as it is decrepit and will probably not withstand movement? If so, will this be with London Stock so as to emulate what has been removed and brickwork not look out of place with other brickwork.</p> <p>We would like to know how much light we will lose on our side of the garden as we are about to submit to build a bedroom for our child in the current bathroom. I understand that it is currently uninhabitable being a bathroom, but we would still need to know given our plans as this may mean we need to change our plans significantly. Plans are already sitting with Leaseholder officer Cherele Brown as we requested License for Alterations albeit have not been completely submitted as we're waiting for plans to be finalised.</p> <p>We are happy to be contacted to discuss any particulars.</p>
