Dear Ms Carr,

317 Finchley Road

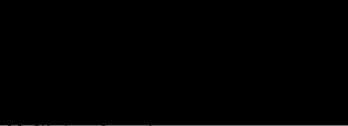

I am the manager of Maximal Ltd, a hardware store on Finchley Road near to number 317.

I know that there is a planning application to build a new apartment block and shop unit on the site that is currently occupied by a pub that has been closed for several years.

The new building will be a great addition to the street, removing a current undesirable structure and replacing it with a smart new block of apartments and a Marks & Spencer shop. I am also pleased to hear about the improvements to the path in front of 317 Finchley Road. These things will improve the look of the street and for that reason I wish to support the developers.

Please register my support for this planning application and I hope that it will be built.

Yours Sincerely,
