2016/2892/P	Michael Malek	69 St Johns Wood High Street NW8 7NL	17/08/2016 09:45:56	SUPPEMPE R	I fully support this initiative as it will allow high level of participation of young families or elderly people in community activities in accordance with traditional Jewish law. The number of poles required is very minimal and they will be hardly noticed (if at all) once they are in.
