2016/4181/P	S	Flat 1 38-40 Eton Avenue NW3 3HL NW3 3HL	18/08/2016 16:05:43	COMMNT	Only concern would be the height of this structure as this building would adjoin our garden wall and anything higher than the wall would spoil the original character of the surrounding walls & gardens - as well as look straight into our properties (38-40 Eton Avenue Flats) - of which all, currently look out at unspoilt gardens reaching to Lancaster Road.
