2016/4487/P	Mr J Guyton	31 Leighton Road NW5 2QG NW5 2QG	18/08/2016 19:34:53	OBJ	Looking at this application and very concerned. Work has been carried out on this property in the past and caused several problems. Rubbish left on roof which fell on to the roof of next doors property. Workman staying in the house and working unsocial hours. The property has been used a letting and communication with the owner always difficult when problems occur. This application is very extensive and I envisage months of disruption in this high density residential area.
