2016/2997/P	A Parish	17 Lyndhurst Terrace Hampstead NW3	22/08/2016 03:32:47	OBJ	<p>This is a very high quality arts and crafts house , almost certainly by a leading architect . It is fundamentally in good condition and only needs a few minor alterations to restore its west (front) facade to its former glory . It harmonises with its neighbours of similar period , also arts and crafts though of different varieties of the style .</p> <p>THIS HOUSE SHOULD NOT BE DEMOLISHED . There is no reason why the existing house couldn't be extended sympathetically and divided into 8 units/flats while retaining the original high quality house .</p>
