2016/3965/P	Simon Parry-WIngfield	51 Lancaster Grove	19/08/2016 11:51:16	OBJ	I have just seen the proposed changes to the elevations. I find that these completely change the visual appearance and style of the house. As such I am strongly against approving these changes. the current house was only approved after careful consideration, and much initial opposition. I think they should be made to stick to the original scale and style of the building. please do not accept these changes. many thanks
