2016/4143/P	Malcolm McKay	6.5 Ziggurat 6 Saffron Hill EC1N8QX	22/08/2016 12:26:29	COMMNT	I live on the north facing sixth floor of the Ziggurat the next door to 67-74 Saffron Hill and object strongly to the proposed extension. As you will know the record of the owners in keeping to the agreed proposals is woeful. They are noisy neighbours indeed having no regard for the peaceful lifes of the residents next door. The proposed development ill include windows over looking the Ziggurat and will creat many privacy problems. The proposed development will block light from the Ziggurat, There will be months of not years of disruption. The sun path will be disrupted. I object strongly.
