For the attention of Mr. Remington.

Dear Sir,

With reference to the proposal to fell
the Ash tree in the garden of 5 Keats Close
NW3 2RP. -

This is a truly magnificent tree, and I
understand the objection to it comes from
a house in Heathurst Rd. If this is so I'm
sure you will conduct an independent
assessment of the problem, it is really too
important to be destroyed without a thorough
investigation. Of course it does probably keep
the afternoon sun off the garden, but that
hardly warrants such drastic action.

Yours sincerely

Will Montague
